

# WEST AFRICA

*Spanning the Globe to Spread the Gospel*

## Apostle F. A. Odai

Apostle by calling and the general overseer of Maranatha Power Ministries (MPM) since 1996

This ministry has grown from a small family to a congregation of over 1000 plus 19 other branches across Ghana. This area is known as the graveyard of churches because churches couldn't grow, but this ministry has become one of the most successful Charismatic ministries in the area.

## Pastor Leslie Buabasah

*Pastor Leslie has a heart for seeing souls saved and has a very successful ministry in Ghana. He has opened his church door for Darrell & Kathy Gooden to work within his area and reach many people for Christ.*

*Year after year, Pastor Darrell and Pastor Leslie have worked together to see Ghana accept Christ and grow in the nurture of God. Lives are being changed!*

**ALL DRESSED UP!**

*Darrell Gooden helped raise the funds to provide Maranatha Power Ministries and their leader, Apostle Odai, with this van to provide transportation for the church and the congregation. It will provide them with many years of service.*

*The children always seem to gravitate toward Kathy during these mission trips. She offers them love and the story of Jesus. They sing with her as she ministers.*
